

# SCHEDULE OF FEES

## LICENSING

### Seat Licensing

eTaskMaker® Lite software is licensed according to the number of seats (computers) on which the software will be installed. Each eTaskMaker Lite license includes one eTaskMaker Wizard and one eTaskMaker Module Editor. The eTaskMaker Lite licenses are for special versions of the eTaskMaker software that cannot read or use the public eTaskMaker planning modules that are included with the regular eTaskMaker software.

Seat Licenses for the eTaskMaker® Lite system may be purchased for \$ 495 each. There are no discounts available for multiple license purchases.

### Enterprise Licensing

Enterprise Licenses for unrestricted network versions are NOT available for eTaskMaker® Lite. Large companies with multiple sites should inquire about Enterprise Licensing on the full eTaskMaker system if an unrestricted network version is desired.

### Maintenance Fees

Maintenance fees cover unlimited fax or e-mail technical support and same version software updates. They are due and payable in advance.

The yearly maintenance fee for eTaskMaker® Lite is \$ 50 per seat. One year of maintenance is included with each license purchase.

Major upgrades to the software (for example, from Version 1.0 to Version 2.0) are NOT included in this maintenance agreement (they are upgrades, not updates). Major version upgrades will be offered at a discount from the new version purchase price.

### Shipping

After receipt of your Purchase Order or verified credit card order via our web site, we can ship the software via courier (DHL, UPS, etc.) to anywhere in the world. Shipping will be billed at cost. Immediate electronic delivery (via e-mail) is also available for free.

## CONSULTING

### Consulting and Training

Consulting and/or training can be scheduled for \$760 for the first eight (8) hours, then \$95 for every additional hour. A minimum of 8 hours a day will be billed for work days, even if less hours are actually worked. On long term assignments, consultants get to travel home for at least one weekend per month. Standby time will be billed at a flat rate of \$500 for every holiday or nonworking day except normal weekends.

### Travel Related Expenses

Travel expenses (air fare, car rental, airport exit taxes, etc.) are billed at cost, plus a 10% handling fee. A flat Per Diem amount will be charged, in lieu of reimbursing expenses, sufficient to cover the costs for hotels, meals, laundry and incidentals. Per diem will be billed seven (7) days a week, during the stay of the consultant. Travel time will be billed at a flat rate of \$500 per day of travel.

## PAYMENTS

### Invoicing / Billing

Invoices are due and payable upon receipt. A monthly service fee of 1.5% will apply on any invoices that become past due after 30 days. Invoices must be paid in full in U.S. Dollars.

### Fees to Cover EFT Payment Bank Charges

A service fee of \$95 will be charged to cover bank processing fees for all payments made via electronic funds transfers (EFTs). Request instructions for making payments via EFT.

### This Schedule Becomes a Part of Your Purchase Order

Unless specifically waived by mutual consent, all terms and conditions stated herein, together with InterPlan Systems Inc.'s Licensing Terms and Conditions shall be included in (or appended to) your Purchase Order.

### Fees May Change Without Prior Notice

We reserve the right to change our fees without notice. Any fees quoted in writing, via fax or e-mail proposals shall remain valid and in effect for a period of one month from the date of the proposal.
